B. The Report

1. Summary of activities since last report: Co-sponsored annual golf outing w/Metro Chapter.
2. Status of current programs: Maintained Student Affiliate Members through our academic programs, which are currently being developed for 2013.
3. Problem areas: Maintaining/increasing Chapter membership and meeting attendance.
4. Success stories: Successful golf outing in conjunction with the Metro Chapter netting \$1100. This will become an annual event for us.
5. Schedule of activities prior to next Board Meeting: We will be holding a “networking event” on Long Island for our members to get together for an evening of socializing (networking) over drinks and light fare.
6. Changes in Chapter Membership since last report: Membership currently at 62 members; 45 chapter members, 5 shared chapter members, 5 student members, 3 emerging professionals, 3 retired and 1 lifetime member.

C. Best Practices to share with the Region

1. None
2. Recommendations Requiring board Actions;

- 1) Region can sponsor 2 days of certified credited courses for architects near the end of each calendar year.
- 2) Propose to downsize the Region Board from the current 15 Directors to 4 Directors by splitting the Region into 4 quadrants, and having a member from 1 chapter from each quadrant serving a 2 year term on a rotating basis as a Region Director. Officers of the Region Board would also stay in place as is with the same length term (President, VP, Secty, Treasurer)

Respectfully submitted;

Chris Geiger
