

# FY15 Northeast Region CSI Awards

PRESENTED AT THE NORTHEAST REGION CONFERENCE

MAY 15, 2015 IN WILLIAMSTOWN, MASSACHUSETTS

STEVE VAN DYKE - AWARDS COMMITTEE CHAIR, TRACEY POWELL - NE REGION PRESIDENT

## NE REGION DISTINGUISHED SERVICE AWARD

**Jim Grucella.**

The Distinguished Service Award, a medallion, is the most prestigious award given by the Northeast Region of CSI. Its purpose is for the Region to give special recognition to those individuals whose long-term commitment, exemplary performance, and significant contributions have helped the Region and their chapter to develop, grow and improve. The Distinguished Service Award is not intended to duplicate the honor and recognition conferred by the national award of Institute Fellowship, but rather to recognize those individuals whose activity has been primarily at the local and regional level in support of the Northeast Region and its chapters. Those nominated for this award must have been a member in good standing for a minimum of 10 years.

### President's Award - presented to **Marty Helly**

On this day the President of the Northeast Region conveys special recognition for dedication and excellence, to Marty Helly for being integral and inspirational to the region executive committee during the FY14-15 term

**Donald Colosano Newsletter Award** - presented to **Jay Ford & Boston Chapter**, Kelsey McMenemy accepting - For excellence in promoting the goals and ideals of the Construction Specifications Institute through their newsletter "The Parameter". Your consistent presentation of timely, informative articles and information engages your chapter's members and serves to increase the knowledge base of all who read it.

### Electronic Publication Award - presented to **Alex Grande and Al Oberst**

(posthumously) For the creation and maintenance of an engaging, creative website and for engaging your members through the use of electronic communications following a decades long tradition of newsletter excellence. Your efforts increase awareness of the institute while stimulating interest and participation in your chapter.

**Chapter Membership Award** - presented to the **Maine Chapter, Doug Rice** president. For the most significant increase in membership between fiscal years 2014 and 2015. The efforts of your board and your members are evidenced by the growth of your chapter and serve as an inspiration to the entire northeast region.

**Education Award** - presented to **Cal Bowne, FCSI**. For the development and implementation of "Spec Hunt" programs and mini-trade shows which engaged students and emerging professionals at Onondaga Community College and Morrisville College to further the philosophy of CSI to students, faculty and fellow CSI members. Your efforts are appreciated for increasing the development of the Syracuse Chapter towards continued development and in so doing enhancing the strength of the Northeast Region and thereby the entire CSI.

**Technical Excellence Award** - presented to **Len Anastasi, Greta Eckhardt & Brian H. Neely** for the authoring and preparation of "CSI Boston Technical Paper No. 1: Specifying Air Barriers". Your knowledge in your field and collaboration toward sharing that knowledge through your technical paper embodies the core values of the construction specifications institute and furthers its mission by increasing the skills of its members.

**Certificate of Appreciation** presented to **Steve Van Dyke** for going above and beyond the call as Northeast Region Awards Chair.

**Citation of Service** presented to **Scott Bergsbaken** and **John Dwyer** for serving as Region Director from the Hartford and Syracuse Chapters respectively for FY14 and FY15.

**Citation of Service** presented to **Howard Levine, Scott Tobias** and **John Dwyer** for serving as the Region as members of the Distinguished Service Award Jury FY14 & 15.

**Outgoing President's Award** presented to **Tracey Powell** in recognition of serving the membership of the Northeast Region as President during FY14 & 15.

**Conference Chair Citation** presented to **Marty Helly** for serving as chair of the FY15 Northeast Region Conference - The Art of Sustainability in Williamstown, MA held May 14-16, 2015.
