

BOARD REPORT

Northeast Region Board Meeting – November 5, 2011

DATE: October 31, 2011

TO: Northeast Region Board of Directors

FROM: Kenneth R. Gehringer, AIA, CSI, CCCA, Education Committee Chair

SUBJECT: Report of Education Committee

A. Report Summary

1. This report includes the status, progress and problems of the Region Education Committee Chair.

B. The Report

1. Summary of activities since last report:
 - The Education Committee is continuing email communications to Chapter Presidents, Education & Program Chairs and the Region Excom members.
 - The Education Committee set up the Leadership and BIM workshops for this fall Board Meeting.
2. Problem areas:
 - Not all Chapters have an Education and/or Program Chair listed on the Region website.
3. Success stories:
 - Most of last year's emails encouraged communication between the Chapters by soliciting the recipients to "reply all" and share information with their peers. A few of the communications did receive responses from several chapters.
4. Schedule of activities prior to next Board Meeting:
 - The Education Committee will develop a workshop(s) for the spring Board Meeting.

C. Suggestions for the benefit of the Region

1. Work with Institute, Region, Committee Chairs and Chapters to exchange ideas and develop better programs.

Respectfully submitted;
